Greetings in the name of our Lord & Savior Jesus Christ!

I am honored that you have chosen **MABCBK** to be **YOUR** church! We do not take this decision lightly, as we believe that in obedience with God's will, you were sent here. Our goal is to introduce you to the MABCBK Experience and why we are committed to ***"Empowering People to Live Beyond Life Limitations."***

You'll discover that our passion is to provide a place where people—just like you—can have a life-changing experience with God, regardless of your stage in this Christian journey. And let me share with you, you are joining us at an *exciting* time when we are growing and becoming the ministry that we know God has equipped us to be in **Ocean-Hill Brownsville.**

God is making history with the body of believers at **MABCBK**, and we are excited to continue to strive towards becoming the kind of church described in the Bible, where there is relevant teaching, heart-felt worship, honest friendships, constant prayer, and compassion for those in need.

I am a pastor who is excited about what God has called me to do, and even more excited that He has called me to lead the church where I was raised, licensed and ordained as a preacher. I understand our community and I love to see the many lives that are being impacted by the ministry. My prayer to God has been ***"Lord, I will remain committed to where You have called me, I just ask that You send the people who can help fulfill the vision You have given to me."*** I want you to know, as you are reading this, I believe that **YOU** are a part of what it will take to make this vision come to pass.

This resource guide is designed to navigate you through the **MABCBK** life. It should help you find the areas of Church that can benefit from your direct involvement and passion to follow Christ. Conversely, you should also find programs and services that can help you personally and spiritually. He has called each of us to play a specific role in the Body of Christ, and to have a healthy and functioning body, all pieces need to work together.

Together, I believe we can continue to grow the Kingdom of God as He has called us to do. Again, thank you for allowing me to serve as your Pastor. As I always say, ***"MABCBK is not a perfect church, but we serve a perfect God."***

In His Service,

Pastor Steven Eugene Carter

Steps to Becoming a New Member

Who Are New Members?

New Members are the lifeline of **MABCBK** and are very important to building the Kingdom of God. At **MABCBK**, New Members are defined as those who are new converts, candidates for baptism, and/or believers who are joining MABCBK based on previous Christian experience.

Requirements

Each new member is required to attend New Members Orientation that is held once a month. The New Members Ministry facilitator will contact new members to welcome them and schedule them for their class and/or baptism. New Members Orientation is usually facilitated by a New Members Ministry Leader.

Celebration

New members are recognized on **1st Sundays**. We encourage new members to invite at least 5 family members and friends who are not connected to a ministry to celebrate with them. This is a way to have people celebrate with you, and also a way for us to introduce new people to the **MABCBK** experience.

Are You New to MABCBK?

***First Step* New Members Orientation**

New Members Orientation

New Members Orientation is a 90-minute session that communicates the history, vision, and philosophy of **MABCBK** through a quality take-home booklet. The session is led by a new members facilitator and new members are provided with the expectations of membership, a plan for getting connected and direction for the next step in becoming a VERY involved member. Prospective members, visitors, and anyone interested in becoming a member of MABCBK may also attend this session. The session is held on:

Next Steps

MABCBK host a Weekly Life Group that we encourage every member to become involved with. It comes with a workbook study guide that allows everyone to follow at the same pace. It is exciting and engaging. We also encourage new members to look for a ministry to become involved in. Studies have proven members who get connected in a ministry at their local church are more likely to remain committed to Christ and to the Church.

Mission, Vision & Philosophy

Mission (What We Do)

Mount Ararat Church is committed to ***Empowering People to Live Beyond Life Limitations.***

Vision (How We Do It)

At Mount Ararat, our vision is to create a Spirit-filled environment where believers can acquire the necessary skills, develop the right attitude, and learn Godly wisdom. We recognize that in the Kingdom of God we are growing saints. We have not fully arrived at our highest level of growth, but like the Apostle Paul in **Philippians 3:14**, we are pressing towards the mark of our high calling in Christ Jesus! We believe God will continue to compel saints to go higher in prayer, faith, giving, worship, service, and praise.

Philosophy (Why We Do It)

Our philosophy is to evangelize our community and disciple men, women and children by establishing genuine relationships, energetic worship, and a festive environment. A participatory approach to ministry is used to create an “**everybody is somebody**” attitude, so each member support one another while going to the next level in their walk with Christ!

CORE VALUES

Our core values communicate what is important to us as church!

1. **The Word of God** – The final authority
2. **Evangelism** – God’s great commission to the church (Matthew 28: 18-20)
3. **Spiritual Growth/Discipleship** – Creating an environment for spiritual development and transformation.
4. **People** – they matter to God and to us

Mission, Vision, & Philosophy

5. **Family** – the strength of the family determines the strength of the Church.
6. **Stewardship** – financial resources are the economics for the entire vision of the Church.
7. **The Next Generation** – the future is **NOW**
8. **Administration/Leadership** – the incline and decline of ministry hinges upon administration

General Guidelines for MABCBK

The house of God is designed for people to gather for worship, prayer, study, fellowship, and celebrations. Please adhere to the following guidelines so that we may continue to serve God's people **"decently and in order."**

- **Announcements** – If you desire to have a ministry announcement, please make sure that your ministry leader submits it to the Dream Team during our monthly meetings as we seek to plan and approve everything 90 days (3 months) advance.
- All **Check Requests** submitted by ministries must be approved by the finance team and/or pastor before a check is released. **NO EXCEPTIONS.** If an event will include a guest speaker or musician that will require an honorarium, a signed **IRS W-9 form** from that party must be submitted before a check is released.
- Ministry Event Submission Deadlines for Dream Team Meeting

January (for events/programs from May-August)

May (for events/programs from Sept. – Dec.)

September (for events/programs from Jan – April)

- The use of decorations, the re-arranging of furniture, attachment materials to the walls and items of similar nature shall be done **ONLY** with the supervision of members from the decoration ministry.

General Guidelines for MABCBK

- Equipment for activities held outside of the Church cannot be loaned or rented.
- All music instruments are to be used by music staff persons only.
- Absolutely no **soliciting or selling** of any unauthorized items on the premises.
- Absolutely no materials or flyers that's not **MABCBK** related can be placed on cars.
- **WALKING** – We ask that there is no walking during *Sermon, Invitation to Discipleship, Tithes & Offering Period, and Benediction*. In the event you **MUST** go to the restroom, we ask that you please remain in the rear of the Church as a *loving MABCBK* usher directs you when you return to prevent any distraction from other members who are in the service.
- Please do not leave donated items (clothes, toys, equipment, etc.) on the premises without prior authorization from the Church Office and/or Ministry Leader.
- **MABCBK** will not be responsible for theft or any damages to personal equipment/items left on the premises without proper consent from the Pastor and/or Finance Team.
- **Membership Updates** – Membership records are strictly confidential. In an effort to maintain accurate information for each member of **MABCBK**, we ask that you update your contact information by contacting the Church office at (718) 342-1571 or via email at **ExecutiveAssistant@mountararatchurch.com** Please place in the subject box "Membership Record Update."

Communications

Ministry Facilitators and ministry leaders will have open monthly

meetings (Dream Team) with the Pastor. Ministry concerns and questions should be presented at these sessions.

In the event of an extreme emergency, Dream Team Leaders are available at each worship service for immediate attention. Further questions can also be forwarded to the specific ministry or pastor@mountararatchurch.com

Ministry Function & Interaction

Ministry functions are designed to take place on campus. As a precaution, all off-site ministry meetings, events or functions must receive consent from the Pastor in order to function as a representation of **MABCBK**. This is to assure that the brand of the ministry is represented respectfully and properly.

Member Services

Weddings

If you would like to hold your wedding at the Church or have the Pastor officiate your wedding, you should contact the Church office at (718) 342-1571 or email [**pastor@mountararatchurch.com**](mailto:pastor@mountararatchurch.com). You may also find more information by visiting our Church website.

Hospital Visitation/Terminal Illness

Information regarding terminal illnesses and death of Church family members should be reported to the Church office. Our Grief Ministry, Associate Ministers, and Deacons Ministry visit the terminally ill, hospitalized or homebound to provide communion upon request. For questions, please contact the Church office and/or email [**Deacons@mountararatchurch.com**](mailto:Deacons@mountararatchurch.com)

The Use of Offering Envelopes and Church Contributions

We recommend that **ALL** contributions, whether by check, debit, or cash, made to our church be given in an appropriate offering envelope. Please be certain that your name, address, and other requested information is printed **clearly** to ensure that you receive proper credit. To many, using envelopes may seem like a nuisance at first (especially for a small cash offering.) However, over a year, those small offerings can add up to a substantial amount. Using offering envelope also makes the accounting task for the finance ministry easier.

You may also create an account with our Church App Giving by downloading **GIVELIFY App** and looking up **“Mount Ararat Baptist Church Brooklyn, New York.”** This method has proven to be quick and easy. It also records all of your given for the year and sends you a statement at the end of the year.

Member Services

Income Tax Records

Your tithes and offerings are maintained by the Church office. Records of your donations for tax purposes are provided at the beginning of each year and may be obtained from the Church office. For questions, please call (718) 342-1571 or email finance@mountararatchurch.com

Use of Church Facility

Church facility is available for use by Church members for ministry events. In the event you belong to an outside organization and would like to use the facility, it must be approved by the Pastor.

Pre-Marital Sessions

Under the leadership of Pastor Carter and seasoned married members, we offer a four-week seminar **“So You Want to Get Married”** that is available to engaged couples prior to their wedding date. These seminars are scheduled twice annually. Visit the Church website or contact the Church office for the next session. For more information, pastor@mountararatchurch.com

Death Notices/Funeral Services

MABCBK ensures that you never have to grieve alone. Under the auspices of our Grief Support Ministry, they are available to provide support for you during these times. Funerals are allowed to be held at the Church for members and immediate family members (spouse, parent, child, sibling, and grandparent). For more information, contact the Church office and/or email deacons@mountararatchurch.com. Unfortunately, we do not hold repast on the Church premises, but we can recommend reputable locations.

Questions & Answers

I want to join, but I am a member of another Church.

Remain prayerful and ask God to lead you in your decision. Our goal is not to recruit members from other local ministries, but we are committed to accepting people who know that they are being led to **MABCBK**. Before making a decision to join, be prayerful that where you are, is not where God wants you to be.

What am I going to wear to Church today?

You are able to dress casually every Sunday. We are a **C.A.Y.A** Ministry, which means **Come as You Are**. Our focus is not being impressed by you **clothes** externally, but to be impacting for your **soul** internally.

Why do you use Sermon Handouts?

We do this to allow you to be able to retain the messages that you heard on any given Sunday. Most people forget the message they heard less than 48hrs after worship. This method allows you to remember and share with others as a form of encouragement.

Is the church impacting the community?

Yes! **MABCBK** is intentionally involved in impacting our community through personal and partnership activities. We believe that we were placed where we are to ***Empower People to Live Beyond Life Limitations. John 10:10 "...I come that you might have life and have it more abundantly."***

I am upset with a member and/or the Pastor and I am considering leaving the Church.

No one is perfect, not even the Pastor or you. In this event, we ask that you request a meeting with the person you have been offended by. We believe that most negative interactions can be resolved through healthy conversations. **Matthew 5:9 "Blessed are the peacemakers, for they shall be called sons and daughters of God."**

Questions & Answers

I sure wonder if MABCBK has a good sounding choir.

Our music ministry is committed to presenting excellence in their responsibility on Sunday mornings. We have selected committed people as leaders to ensure that the quality of music is always inspirational as well as Spirit-led.

I've been calling and have not received a response.

In the event you are unable to receive a response due to reasons unknown, simply email communications@mountararatchurch.com and a ministry representative will get back in contact with you in 24-48hrs.

There is a ministry I would like to start that I don't see listed.

Call the Church office and schedule a meeting with Pastor Carter to further discuss the idea and how it can fit into the overall vision and mission of **MABCBK**. Our goal is not to simply add ministries, but to add ministries that will help us fulfill the vision for the Church and community we have been called to serve.

I am married, but my spouse will not come with me.

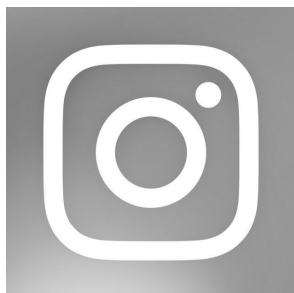

Do not NAG them to come. Simply pray for them and invite them to special events/activities that you know will be appealing to them. Also, if you are involved in a ministry, a good method is to invite them when you know you are serving as support and leave the transformation to God.

I have a question, but I can't remember what it was.

That's cool. All you have to do is email the ministry leader that the question is directed to or you can email Pastor Carter directly when you remember your question. Remember, there is no bad question.

If you are asking yourself, why did he use this picture? Well, that's me and my parents and what better image than the image of fun and relaxation. Mr. Eugene & Mrs. Mary Carter are the two God-sent parents who took me, a sick child at birth, whose biological parents left for death and gave me a home with love that money could have never afforded.

However, when I learned at the age of 13 that I was adopted, I went through a major state of rebellion. Fighting teachers, kicked out of high school and sent to my zone school, almost left back a grade, selling drugs for three day (then I came to myself after thinking if my father finds out I am as good as dead), and so many other challenges because I could not understand why my biological parents would give me up and leave me for DEAD!

However, as time continued to pass and I grew in my faith, I begin to turn my anger into joy by being thankful to God that since my biological parents realized they could

not do for me, they more than likely asked God to place me in the hands of someone who could. Well, God more than answered their prayers.

My parents raised me in a loving and caring home to fear and love the Lord, they kept me in church (all the time J), they taught me self-appreciation, they demanded respect, they worked hard to provide, my father taught me how to be a man, my mother taught me how to help whoever I can and they always reminded me that whether by natural birth or legal adoption, we could not love you any more than we already do. So I want to say Thank You to the two greatest parents who have given me more than any child could ever ask for or dream of. I love the both of you more than words could ever express!

Let me ask you, do you have room in your house to be a blessing to a child (newborn or older) who may be in need of a loving family?
